

## Project Forester

Kim Forest Management Ltd. (KFM) is a forestry consulting company based in Prince George, British Columbia. KFM provides a challenging and rewarding career experience in a respectful, safe and healthy work environment. We provide natural resource consulting services with a focus on professionalism, quality, innovation and service. In a variety of job functions, KFM seeks a **Project Forester** to provide ongoing tenure administration and permit acquisition services to a range of public and private sector clients in the forestry and natural resource sector. An analytical thinker and effective communicator, you plan, organize and coordinate a range of projects and activities to achieve major licensee and client goals. Typical responsibilities of the Project Forester include:

- Client and subcontractor liaison and correspondence;
- Tenure administration support services and operational plan development including management plans, FSPs and site plans;
- Professional forestry advice and direction;
- Project workplan development, budgeting, resourcing and invoicing;
- Timber development coordination from reconnaissance to cutting permit and road permit application; and
- Submission of milestone and activity completion updates to RESULTS.

KFM offers extensive training, growth and development opportunities; a competitive salary and benefits package and an opportunity to work with a diverse, dynamic team of natural resource practitioners. Preference will be given to those individuals Registered as a Professional Forester (RPF) with the ABCFP. KFM requires that you possess a valid B.C. driver's licence and are willing to conduct field work which includes travel to remote areas, outdoor work in all weather conditions and overnight or extended stay in rough camp conditions.

If you are a motivated forest professional seeking a challenging and rewarding career opportunity, KFM encourages your application. Please submit resume and cover letter to [info@kfm.ca](mailto:info@kfm.ca).

Prince George is the largest city in Northern British Columbia and offers the unique opportunity to enjoy the amenities of a city, while finding a variety of wilderness opportunities just minutes away. Hiking, fishing, hunting, golfing, back-country skiing, white water kayaking, mountain biking and caving are a few of the outdoor activities that Prince George has to offer.
